

Please print the product request form, fill it out completely and send it back to us.  
The more information we get, the better we can help you. We'll reply soonest.  
Fields with (\*) must be filled out!

**Personal informations:**

|                     |                      |
|---------------------|----------------------|
| Company(*)          | <input type="text"/> |
| First name(*)       | <input type="text"/> |
| Surname(*)          | <input type="text"/> |
| Street(*)           | <input type="text"/> |
| Post code / city(*) | <input type="text"/> |
| Country(*)          | <input type="text"/> |
| E-Mail(*)           | <input type="text"/> |
| Fax                 | <input type="text"/> |
| Telefon             | <input type="text"/> |
| WWW                 | <input type="text"/> |

**Technical informations:**

|                    |                              |                                       |                                       |
|--------------------|------------------------------|---------------------------------------|---------------------------------------|
| Application        | <input type="text"/>         |                                       |                                       |
| Quantity(*)        | Samples <input type="text"/> | Year 1 <input type="text"/>           | Year 2 <input type="text"/>           |
| Reference type     | <input type="text"/>         |                                       |                                       |
| Rated voltage(*)   | [V]                          | <input type="text"/>                  |                                       |
| Power(*)           | [W]                          | <input type="text"/>                  |                                       |
| Specific power     | [W/cm]                       | <input type="text"/>                  |                                       |
| Colour temperature | [K]                          | <input type="text"/>                  |                                       |
| Burning position   | horizontal                   | <input type="checkbox"/>              |                                       |
|                    | vertical                     | <input type="checkbox"/>              |                                       |
| Type(*)            | single tube                  | <input type="checkbox"/>              |                                       |
|                    | double tube                  | <input type="checkbox"/> single ended | <input type="checkbox"/> double ended |
|                    | twin tube                    | <input type="checkbox"/> single ended | <input type="checkbox"/> double ended |

|                      |                      |                      |
|----------------------|----------------------|----------------------|
| Heat length(*) A     | [mm]                 | <input type="text"/> |
| Overall length(*) B  | [mm]                 | <input type="text"/> |
| Wire length C        | [mm]                 | <input type="text"/> |
| Wire material        | <input type="text"/> |                      |
| Connector D          | <input type="text"/> |                      |
| Tip height E         | [mm]                 | <input type="text"/> |
| Tube diameter F      | [mm]                 | <input type="text"/> |
| Base(*) G            | <input type="text"/> |                      |
| Additional tube      | <input type="text"/> |                      |
| Integrated reflector | <input type="text"/> |                      |
| Special Features     | <input type="text"/> |                      |
